

**API BYLAW AMENDMENTS RESPECTING PRECEDENCE OF PROVINCIAL STATUTORY
AND BYLAW REQUIREMENTS**

Approved July 12, 2005

The Bylaws of the Atlantic Planners Institute, ratified by the membership on June 1, 1988 and approved by Council June 3, 1988 (hereinafter referred to as "the Bylaws") are amended as follows:

1. The Bylaws are amended by the insertion of the following as Section 108.1
 - 108.1 (1) Where a statute exists in a Province which has the effect of establishing a professional planning association in the Province as a body politic and corporate, and the statute permits or requires that bylaws be made by the association, the association may make the bylaws required or permitted under the statute.
 - (2) Where a provision of the bylaws made by the association under subsection (1) is in conflict with these bylaws in order to comply with the statute, the provision of the bylaws made by the association under subsection (1) shall prevail to the extent required to remove the conflict.
 - (3) Where a provision of the bylaws previously made under section 107 by the Branch of the Province to which the statute applies is in conflict with a provision of the bylaws made under subsection (1) the provision of the bylaws of the association made under subsection (1) shall prevail to the extent required to remove the conflict.
