Time: ***12:00 noon to 2:00 p.m.***

Place: ***Foran Greene Room, St. John's City Hall, 10 New Gower
Street, 4th floor***

Heritage Canada Foundation recognizes the third Monday of February each year as Heritage Day. To show our support and to help celebrate this recognized day, a Planner's Plate is being held on this year's topic; Good Neighbours: Heritage Homes and Neighbourhoods and their importance to our communities.

Please join us as guest speaker Deputy Mayor Shannie Duff takes a look at the city of St. John's vast collection of designated heritage homes and streetscapes, and how the city became a recognized national heritage city, being awarded the Prince of Wales Award for Municipal Heritage Leadership in 2007, presented annually to a Canadian municipality that has demonstrated a commitment to the conservation of its historic built environment, through regulation, policies, and funding.

Price: \$20.00 for API members; \$25.00 for non-members. Lunch provided. Please advise in advance if you prefer vegetarian. Payment in the form of cash/cheque at the door; receipts are available.

A reservation is required. Please contact Lindsay Lyghtle Brushett: phone 576-8285 or e-mail llyghtlebrushett@stjohns.ca by Thursday morning February 14, 2013. Those who register but do not attend will be responsible for any cost incurred.

The Planner's Plate lunchtime speaker series is organized by API's NL Branch and is open to all interested people. For information on planning, see www.cip-icu.ca and www.atlanticplanners.org. Each Plate is worth 1 Learning Unit for API's Continuous Professional Learning program.
